SUMMARY

Seeking an impactful internship position to apply my mathematics and programming skills.

SKILLS

Programming:

- Python
- Java
- C & C++
- HTML/CSS/JS

Mathematics

- Calculus
- Linear Algebra
- Real Analysis
- Statistics (with R)

EDUCATION AND TRAINING

Bachelor of Science: Mathematics   *Expected in 06/2025*

UCSD - La Jolla

- Vector Calculus
- Foundations of Real Analysis I & II
- Introduction to Mathematical Statistics I
- Introduction to Stochastic Processes
- Applied Linear Algebra I
- Abstract Algebra I
- Computer Organization and Systems Programming

Associate of Science: Mathematics   *05/2023*

Foothill College - Los Altos, CA
